

LIANG & EIMIL

Product code: SUM-PD-0236

ASSEMBLY INSTRUCTION

PARTS

6PCS GLASS

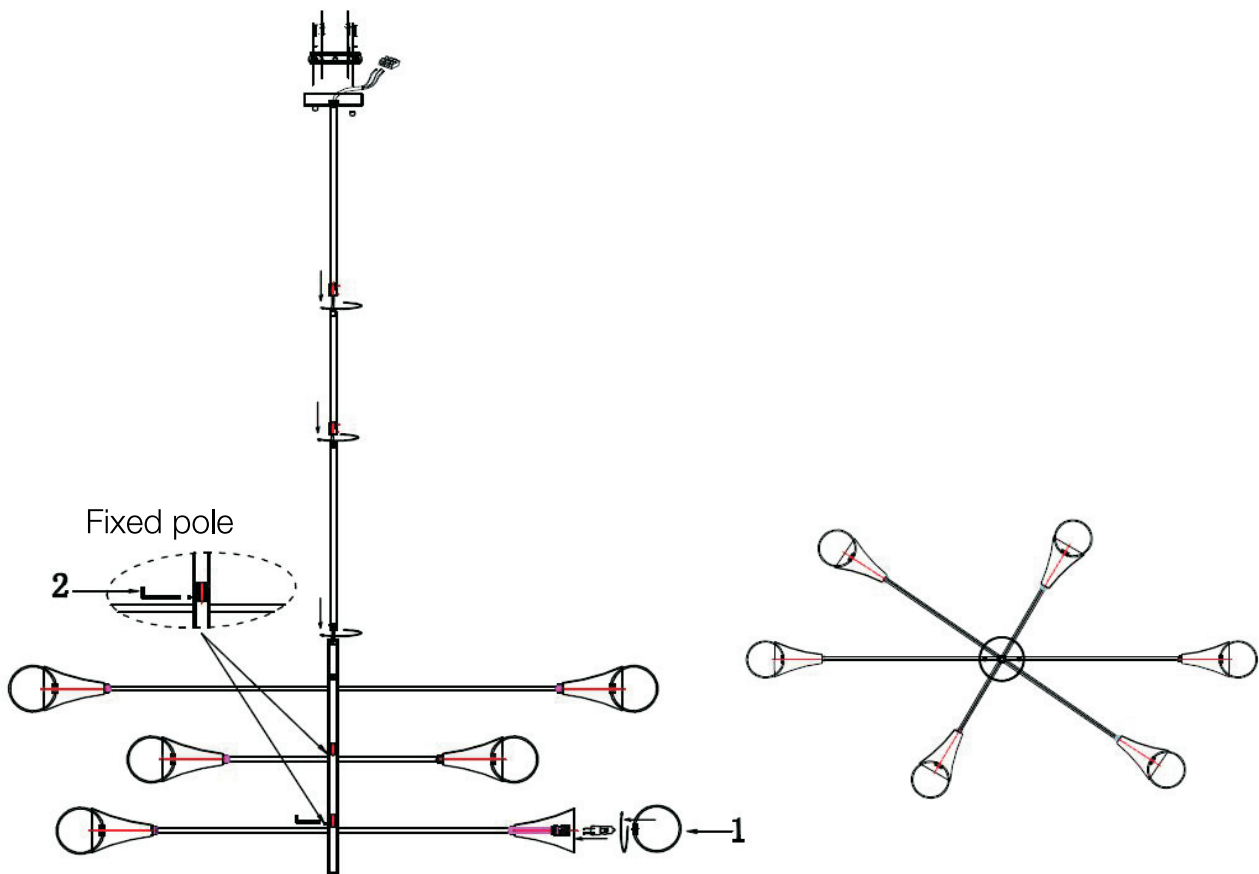

Spanner

1

2

Install each glass globe onto the main frame as illustrated after having fitted the bulb to each arm. Do not overtighten.

Turn the lever to your preferred position. The angle of rotation should not exceed 90 degrees.

Use the spanner to fix the arms as illustrated. We recommend any chandelier and associated wiring to be installed by a professional. Lightbulbs not included. Please observe maximum wattages for bulbs to ensure safety.
