

LIANG & EIMIL

Product code: SUM-WL-0235

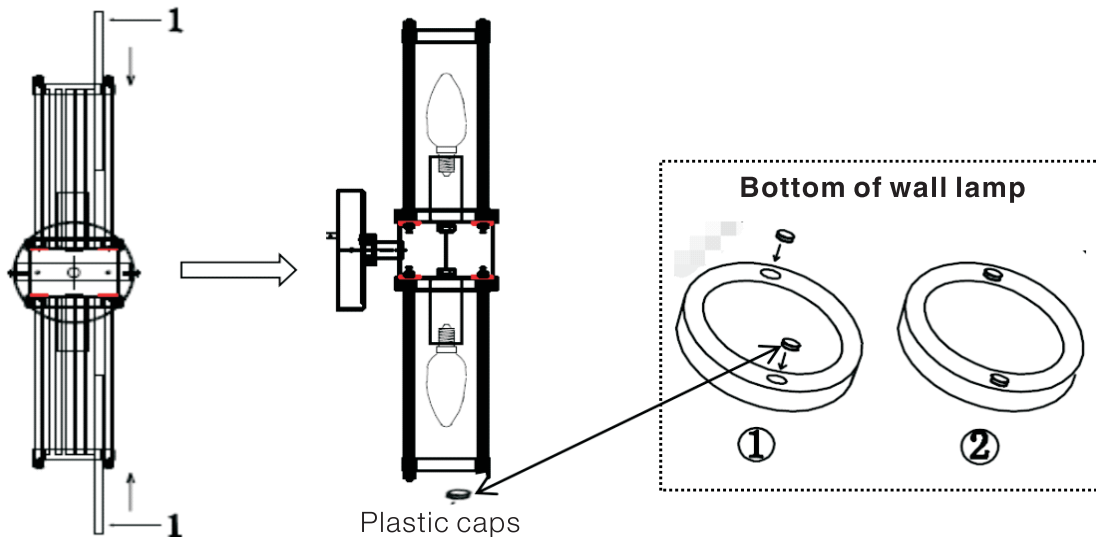

ASSEMBLY INSTRUCTION

PARTS

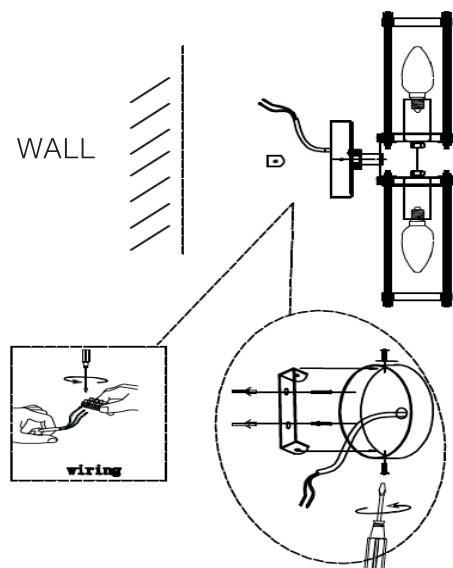

1.Glass

Step 1

As illustrated, insert the glass rods through the access hole into the lamp frame. Once the last rod has been inserted in the bottom section, secure the holes with the plastic caps provided.

Step 2

Install the lamp on your wall as illustrated. We recommend any installation and wiring be done by a professional. Light bulbs not included.
