

AFFINITY - FARADAY X

Adaptable, seamless, and smart by design—the Faraday X LED strip is the perfect solution for smooth, continuous lighting in modern kitchens. Designed to magnetize effortlessly to the Affinity track system, this strip delivers powerful, even illumination with maximum flexibility and minimal effort.

Its cut-anywhere design allows users to tailor the strip to any length or layout—no soldering or cable management required. Whether accenting cabinets, undershelves, or worktops, this strip bends and adjusts to fit your space perfectly.

Available in warm white and natural white colour temperatures, it offers both ambiance and functionality, giving designers and installers the freedom to match the lighting mood to any kitchen style.

BENEFITS
• Fast Installation: Cut install time in half with no drilling or cabling.
• Future-Proof Design: Add or reposition lights and accessories anytime.
• High efficiency
• Sleek Aesthetics: Seamless integration under cabinets for a clean, modern look.

KEY FEATURES
• Magnetic Mounting: Installs effortlessly to the Affinity track—reposition or remove with ease
• Chip on Board (COB) technology provides superior light output
• Can be cut to any desired length
• Energy Efficient: Low power consumption with high light output
• 24V allows long runs of light without any light fade

TECHNICAL SPECIFICATION	
Wattage	6W/m
Voltage	24V
Lumens (Light output)	535lm/m
Lumens per watt	90
Colour Temperature	2700K
	4000K
Beam Angle	120°
Colour Rendering Index	95
No. LEDs Per Meter	TBC
Operating Temperature	-30°C to +45°C

RoHS CE UK CA
